On behalf of the university the Humboldt-Innovation GmbH (HI) manages the properties of Campus Central and Campus North. Interested parties, internal or external, can choose between unique and central located event venues in Berlin. Additional conference rooms can be requested via the HI event service.

**TIERANATOMISCHES THEATER**

This impressive auditorium is located in the courtyard of Campus North. The theatre was designed and built by Carl Gotthardt Langhans in 1789/90. The property is the oldest and most important maintained academy in Berlin.

**FESTSAAL LUISENSTRASSE**

This classical style building was designed by Ludwig Ferdinand Hesse. After completion of the building in 1840 it functioned as an educational institution of the first prussian veterinarian school. The ballroom is located on the second floor in Luisenstrasse 56 and offers space for events, presentations and conferences.

**HEILIG-GEIST-KAPELLE**

The chapel belongs to the faculty of economics. It is located in Spandauer Strasse 1 in walking distance to Hackescher Markt. The chapel was built around 1300 and is one of Berlin's oldest buildings. Donations made it possible to restaurate the building in 2005. Today it is the ideal location for conferences, concerts and receptions.
The Humboldt-Innovation GmbH offers comprehensive service for your events. Whether scientific congresses, summer schools or annual meetings, we support you in conception, planning and implementation, which allows you to focus on your contents.

OUR SERVICES
- preparation of an event concept
- event organization including room booking, decoration and commissioning of external service providers (catering, carrier etc.)
- participant registration, provision of conference material and on-site support during the event

ADDITIONAL SERVICES
for employees of the Humboldt-Universität zu Berlin:
- support in finance planning
- proper management of the funds as defined by the university
- collection, management and billing of attendance fees

We are looking forward to your request and to make you an individual offer.
